MANHATTAN FOR A SPICE ISLAND

Did you know in 1677, New Amsterdam, at the southern tip of Manhattan Island was swapped for the British control of the Indonesian Island of Run, a mere three km long and less than one kilometer wide. Why? The tiny island was the only place where nutmeg was grown and the most coveted spice used to preserve meat.

A CHOCOLATE PARADISE

Bali is today a recognized center for artisanal chocolate brands. They start with cacao beans sourced and produced sustainably on the island and gleaned near Bedugul. All ingredients carefully selected and 100% natural, come see for yourself. Ask Stoked staff if you can grab a lift on our next factory visit up in the verdant hills of Bali.
